

I hope you have all been along to view our new MUGA (multi use games area) which came together very quickly last week. The mountain of stone has now been disbursed to other places and hopefully, once the project is signed off the children will be able to play in it. A big thank you to Mrs Cooper who has overseen this project and to all those people who have helped raise funds. We plan to have an official opening event later.

Just a reminder that I have sent you a link for our school survey we are really looking forward to your feedback.

School Junction

We have been made aware of a near accident this week with a parent turning right into school. If you are involved in any incident or 'near miss', then please **add the details to a log book held in reception**, as we need to record these events to strengthen our case for any proposed changes to the entrance to the school.

Around the world

With the summer holidays coming up, we're sure many of you will have exciting holidays and interesting UK days out planned. You may have noticed our huge world map on the wall in the reception area that is covered with photos of our pupils and staff holding Tortworth bags for life in various unusual or far flung places. So far our Tortworth bags have travelled as far as Australia, Iceland, USA and even gone Grand Prix racing and visited the Blarney Stone! We really want to add to our map so if you are able to purchase a Tortworth bag for £2 or even a tea towel for just £1 from the office and encourage your children to send in photos of what they've been up to this summer, we'd very much appreciate it!

Easyfundraising

A quick reminder too please to use Easyfundraising when you shop online to raise money for Tortworth School. Go to the easyfundraising website for details of how you can support us - very simple, easy and super quick we promise! Thank you
