

We started this wet week with circuit training in the hall and boy did our muscles ache the next day! Mrs Shipp informed us that it was a build-up of lactic acid and to ease the pain we had to work our muscles again – Thanks Mrs Shipp. Mrs McGowen has suffered with a sickness bug this week, but hopes that she will be fully recovered by next week.

Some of our KS2 children will have brought a letter home from Mrs Bonner regarding 'Sportability' – these are great events run by one of our partner secondary schools to promote healthy lifestyles for our children.

Mrs Morris, one of our **lunchbreak supervisors**, leaves on Friday 18 Oct. Mrs Morris has really enjoyed her time with us, but has acquired a job nearer to home. **Thank you** for all your hard work Mrs Morris. We are interviewing for new lunchbreak supervisors on 23 Oct to start after half term.

Grandparents Day

It was Grandparents' Day last Sunday and, as part of our historical learning in **Wagtail Class**, we would like to find out where our grandparents lived when they were children. Did they live in the local area, somewhere else in the UK or even maybe in another part of the world? All the **children have written a letter** to a grandparent to ask where they lived and we would be grateful if you could help us by **sending in the information** about at least one grandparent for each child.

Old trainers wanted REMINDER

Do you have any old, outgrown trainers? We'd like to start a **spares collection** in school (alongside our spare wellies collection). Many thanks.
