

This week we have been reminding ourselves about how to be **caring and respectful**.

How to **choose respect** and be unique. We started with odd socks day, with many children continuing to wear odd socks all week! We then had a wonderful time in the wild woods, building dens and playing games that required great teamwork. In class we watched a video clip called 'For the birds.' Which was very funny, but carried a strong message about how we treat one another....

...and what might happen if we are unkind.

We are finishing the week with a sharing assembly, but will continue exploring caring for the rest of term two.
