Connecting helpers to those who need help

WAMA BOXES

These are difficult times for our community, and some of us have been hit harder than others. Due to the generosity of some local donors, we are now able to deliver free grocery and toiletry essential boxes to anyone who is finding it difficult to make ends meet at this difficult time. There is no need for a referral.

Would you like a box???

The easiest way to request a box is to fill out an online form by clicking this link : <https://bit.ly/34EV3DM>

You will be asked how many people are in your household, the ages of any children, and about any food preferences or allergies you may have.

If you don't have internet access, please call the WAMA number and leave a message giving your name and phone number: **07545 042794**

What happens next???

Your box will be delivered to you on the next Tuesday or Friday - whichever comes first. Deadlines for ordering are midday the day before. The boxes will be plain, and unmarked, and we will only share your information with a small group of delivery volunteers.
